

Do You Have a Collaborative Session Proposal?

Co-organized • Cross-listed • Co-sponsored

Does the proposal apply to AGU sections/focus groups (S/FG) other than the primary one to which it is being submitted?

Is this proposal being submitted with co-conveners from the other applicable S/FG?

Would the proposal be applicable to the membership or mission of other societies?

Then select “Yes” to being **co-organized** during the submission process and select up to four applicable S/FG.

Then select “Yes” to being **cross-listed** during the submission process and select up to four applicable S/FG.

Then select the applicable **co-sponsoring** society when asked during the session submission process.

Then select “No” when asked for **co-organized**, **cross-listed**, and **co-sponsored** during the session submission process.

Truly Collaborative

Note: **Co-organized** sessions have to be approved by the Program Committee (PC) representatives of all S/FG involved. If approved, this session will be listed under all **co-organizing** S/FG during the abstract submission process.

Used Only for Reference

Note: **Cross-listed** S/FG will be used only for indexing purposes. If the proposal is approved, these **cross-listings** do not need to be approved by the PC but will be on the session for reference during the abstract submission process and in the program book.

Does the session proposal fall under the below S/FG and **co-sponsoring** societies? These requests will be reviewed by the **co-sponsoring** society.
